LCA Online Affiliate Student Application

An Affiliate Student is a part-time or adult student associated with Littlestown Christian Academy. Affiliate students can take up to four online courses at a time without having to apply for full admission to LCA Online. Students will be provided grades and official transcripts for the courses they take, but affiliate students are not enrolled as full-time students and their participation does not meet the state standards for school attendance and curricular requirements. Courses taken through LCA Online are taught by LCA staff and are developed by Alpha Omega Publications. All courses taken can be used to meet high school graduation standards at Littlestown Christian Academy which is recognized by the Pennsylvania Department of Education. Though LCA Online courses are high quality, professionally developed academic courses, LCA cannot guarantee that credits earned will transfer to other high schools or other states. This application must be processed before a student is enrolled in any courses.

LCA Family-School Covenant

According to the Bible, parents are responsible for the discipleship of their children (Deut. 6:1-7; Prov. 22:6; Eph. 6:1-4). Littlestown Christian Academy and its subsidiary programs complement the family by helping to complete the education of each child through a quality Christian school program. Harmony between home and school provides the best environment for Biblical discipleship to take place. We agree that the LCA Mission and Vision statement serve as a foundational framework upon which the entire LCA program is built.

LCA Online Mission Statement

The mission of Littlestown Christian Academy is to disciple students in Biblical character, Christian service, and academic achievement, preparing them to impact the world for Jesus Christ as they fulfill God's unique call on their lives.

LCA Vision Statement

The vision of Littlestown Christian Academy is to develop disciples of Jesus Christ who will advance the kingdom of God in their homes, their churches, their community and the world.

Student: (Grades 5-12) I desire to take courses with LCA Online. I understand that failure to make adequate progress in my course work may result in my dismissal from LCA Online. I support the mission and vision of LCA and, though I am not an on campus student, promise always to live my life as a representative of LCA and Jesus Christ. I realize I must disenroll or face dismissal if my lifestyle ever compromises my relationship with LCA Online or the integrity of its program. It is a privilege to be enrolled at LCA Online and my continued enrollment is at the sole discretion of the Littlestown Christian Academy administration.

Parents: We support the mission and vision of LCA as well as its philosophical foundation, statement of faith, core values, expected outcomes, school policies, and the principles of this covenant. We will cooperate with LCA in a spirit of fellowship as together we disciple our child.

If at any time during the education of our child we can no longer work together in a spirit of fellowship, and all reasonable avenues of communication are exhausted, we will withdraw our child from Littlestown Christian Academy.

We understand that failure to make adequate progress in course work may result in the dismissal of our child from LCA Online. We realize that our child must disenroll or face dismissal if his/her lifestyle ever compromises the relationship with LCA Online or the integrity of its program. It is a privilege to be enrolled at LCA Online and our child's continued enrollment is at the sole discretion of the Littlestown Christian Academy administration.
