It is a very short commitment that will have a great impact in your spiritual life while enjoying the benefits of a small group atmosphere.

**MAX LUCADO - GRACE**

Don't settle for a wimpy grace. Max Lucado's Grace study takes you on a journey to discover the depth of God's grace - greater than you can imagine, more than you deserve, and all that you need. **If you would like to purchase a book you can find it on [www.amazon.com](http://www.amazon.com) for approximately \$15.**

**JOHN ORTBERG - SOUL KEEPING**

Anxiety. Depression. Fear. Loneliness - these are all symptoms of a soul that has lost touch with its source of life. Like a flower snipped from the vine, the soul that is not turned toward God can only wither away. In Soul Keeping, bestselling author John Ortberg sheds light on the most overlooked, underrated, and least-understood part of your being. With a workable and relevant approach, he shows how living the "with God" life isn't just a good idea - it's the only way to find lasting peace and satisfaction. In this study we will discover what the soul is, why it is important, how to assess the soul's health, and how to care for it so that it contributes to the depth and beauty of our relationship with God and others. If you would like to purchase a book and/or workbook you can find them on [www.amazon.com](http://www.amazon.com).

**AHA - KYLE IDLEMAN**

We've all had an "aha moment" in our lives, an insight that changes everything. With everyday examples and testimonies, author Kyle Idleman draws on Scripture to reveal how three key elements - awakening, honesty, action - can produce the same kind of "aha!" in our spiritual lives. In this study we will see three modern-day prodigals seeking life apart from the Father, who find themselves alone and desperate in their own distant country, and are faced with their life-changing, destiny-altering collision - an AHA moment that leads them home to their loving Father. Workbooks can be purchased for approximately \$10 on [www.amazon.com](http://www.amazon.com).

**EFFECTIVE PARENTING IN A DEFECTIVE WORLD**

Raising children is a tough challenge in today's world; especially when they face constant pressure from their peers and culture. Packed with practical advice and Chip Ingram's own experiences, this study will give you a vision for your children's future, a new understanding of God's principles for child-rearing, and life-changing help for today! A study guide can be purchased for approximately \$8 on [www.amazon.com](http://www.amazon.com).
