**The Great Commission**

**“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to obey everything I have commanded you. And surely I am with you always, to the end of the age. Matthew 28:19-20**

**Five Fold Ministry led by Pastor Rick Ritenour**

Pastor Rick will lead this class which is based on Dr. Carolyn Tennant’s book, “Catch the Wind of the Spirit: How the Five Ministry Gifts Can Transform Your Church.” Catch the Wind of the Spirit tackles this time of uncertainty and unrest head-on, satisfying your spiritual hunger with a deep look at God’s Spirit. Although leadership is vital, Catch the Wind of the Spirit focuses on the duties of the entire body of the church. Through this study, we will gain an intimate look at God’s gifts and understand how to harness the power of each for the benefit of the church. We will also gain a deeper understanding of what the Lord might want for each of us personally and for the church today. Ultimately, we will find ourselves drawn closer to Father, Son, and Holy Spirit as we grasp a better understanding of this critical part of scripture.

**Power of Praying & Fasting led by Tammy Black**

The Power of Prayer and Fasting is a must-have understanding for every believer to live a victorious life and fulfill the calling and purpose God has for us. Though fasting may be unpleasant in the natural, the supernatural rewards are priceless and eternal, and something the devil does not want you to know about or do. The importance and power of prayer and fasting cannot be overstated and will radically transform our lives - guaranteed! Prayer and fasting was modeled by Jesus, His disciples, and leaders mentioned throughout the Bible. A lifestyle of prayer and fasting will yield incredible and supernatural results personally, professionally, and corporately for the Body of Christ. In an interactive and multi-media learning classroom setting, you will learn the deep truths of prayer and fasting. If you want to see miracles and change happen, do not miss this class!

**Moms on the Line led by Crystal Honeycutt**

This year’s theme that the Moms on the Line is working through is **“To The Full.”** This idea of life to the full isn’t about striving for more. It’s not about striving at all. It is about recognizing that life isn’t a bunch of goals to achieve, or people to please; but an invitation to savor, delight and enjoy your life just a little more. If you have ever felt like you aren’t enough, if you have forgotten to have fun, or feel like you have lost your spark, then this is the fresh start you have been waiting for.” If you are a mom with kids under the age of 18 we invite you to join Moms on the Line on Wednesday evenings at 7:00 PM.
