

Dear Friends Who Believe That God is Doing Something Extraordinary at Bethel,

We are so excited for what the Lord has done and what He has in store for the days, months, and years ahead! Together we are called to live in ongoing transformation and renewal in Christ.

So all of us who have had that veil removed can see and reflect the glory of the Lord. And the Lord - who is the Spirit - makes us more and more like him as we are changed into his glorious image. 2 Corinthians 3:18

The Spirit of God desires to raise each of The Father's children into newness of life each day in Christ. Transformation refers to the process that radically changes the nature and function of something at the deepest level. For a child of God that happens at spirit/heart level as conceived and brought forth through the indwelling of the Holy Spirit.

Some have noted that they have witnessed a significant change in me as a man of God and pastor recently. My wife and children are forming their own impressions and commentary as to how it is changing my life from the intimate view of family life. I pray that in every way all change will reflect and glorify Christ as He advances His higher purposes through my life.

I am humbled that others would recognize, and commend, the significant transformation that God is bringing about in my life and ministry. I am a lump of clay upon which God graciously, and with divine purpose, places His loving and transforming hands. It is with speechless amazement and gratitude that I embrace what God is raising up within my spirit-man. May it bring to abundant life that which will equip me to host His Indwelling, His Passion, His Power, and His Love.

Robin and I believe that it is God's will that each of His sheep experience profound spiritual transformation, being renewed in Christ every day. God is radically changing things within His body wherein His workmanship continues, that it will stand powerfully in His anointing as heaven's sweetness among those for whom Christ gave His Life.

Bethel has an assignment that can only be served with integrity in Christ's character. Are you willing to be undone by His passion and Holiness? We believe that you are!

We are not merely moving on, we have a destination! Jesus Christ is the destination and where He is we shall be!

Hosting His Life is not a spectator activity. It is a personal imperative, a must have, and a cannot live without. The far reaches of what God desires to do can only be reached through those who are living anew and growing in Christ.

As we prayerfully purpose our lives to be fully accommodating hosts of God's transformational indwelling, Robin and I invite our Bethel family to join us in fasting and prayerful pursuit of our Father's heart, in Spirit and Truth. Seeking the Father's heart

brings revelation knowledge and it opens our discernment, deepening a Holy hunger for Christ, as it strips away the sinful clutter, that which is unnecessary, the distractions, and unfruitful debris from our hearts and minds.

May we together share the consuming desire to have hearts that are absolutely moved beyond any notion of return to former and lesser things. The goal is not whimsical, in search of a temporary high, but focused on walking in the immersion of Holy Spirit, that we might have as our Number One Desire to Know Christ and to be raised to live in the highest character of Our Father's Love.

As the Lord prompts us, Robin and I are calling out to all of those who believe that God's hand is lifting Bethel beyond the limited economy of diminished faith, hope, and love, into an unprecedented outpouring of Holy Spirit health and wholeness upon this church.

We invite you to join us in being undone, that our religion shall be wrecked beyond repair, providing no vehicle for a return to that which is lesser than Christ! We are going to be part of a sacred gathering on Sunday, filled with people who may look familiar to the natural eye, but from whom the fragrance of Christ shall reveal them to be new among us.

Bethel is an Anointed House of Healing and Wholeness through which the Spirit of God flows beyond its banks! God desires your heart's complete investment in this mighty outpouring! Littlestown and the region are in the path of a Holy Spirit Tidal Wave! The ground is already trembling!

We welcome what God promised to His people through the prophet concerning the temple and in Christ it is so!

[Haggai 2:9](#)

'The **glory** of this latter temple shall be greater than the **former**,' says the Lord of hosts. 'And in this place I will give peace,' says the Lord of hosts."

Love you much!

Pastor and Robin
